Ateşimiz hep yansın! May our fire burn forever!

Yıllar geçiyor, nesiller evriliyor ve beğeniler farklılaşıyor. Biz de bu doğrultuda; tasarıma, kendimizi yenilemeye, sizlerle yenilenmeye ve gelişmeye her zaman olduğundan daha fazla odaklanıyoruz. LAV, sektörün hem genç hem de yenilikçi üreticisi olarak tüketicilerinin yeniliğe duydukları heves ve heyecan ile kendi dinamizmini yüksek tutuyor.

Yeni yatırımlarımızla da yeniliğe sahip çıkmaya devam ediyoruz. Bu amaçla kurulduğu günden bugüne Kütahya'daki 300 bin metrekarelik iki tesisinde sofa camı üretimi ve inovasyonuna odaklanan markamızın, dünyanın en büyük züccaciye fırınına ateşleyerek bir ilke daha imza atmasının mutluluğunu yaşıyoruz. Dünyanın bu en büyük züccaciye fırınına, yeni eklediğimiz üretim hatlarıyla beraber devreye aldık. Cama yenilik ve heyecan katan markamızın bu dev yatırım hamlesiyle 130'dan fazla ülkeye ihraç ettiğimiz özgün ve yenilikçi ürün portföyümüzü genişletmiş olduk. Sektörümüze kazandırmış olduğumuz cam eritme fırınımız için, bu alanda dünyanın en iyilerinden biri olarak bilinen Alman HORN Glass Industries ile işbirliği yaptık. Enerji verimliliği sağlamanın yanı sıra üretim kalite ve kapasitesinde de artış ve iyileştirme sağlayacak Dünyanın en büyüğü olan fırınımız ile günde 2,2 milyon adet sofa camı üretimi gerçekleştirebileceğiz.

Bu yıl; düzenli katıldığımız fuarlara, yenilikçi fikirlere ve farklı kültürlere açık olan HOMI Fuarı'nı da ekledik. Çin, Almanya ve Amerika'dan sonra listeye eklenen İtalya ile birlikte 4 ülkede yer aldığımız 4 fuar ile LAV'ın globalde penetrasyonunun artması için organizasyonumuzu genişletiyoruz.

Dünyanın en büyük 6. cam üreticisi olduğumuz cam sektöründe, kendi imalat makinelerini kendisi tasarlayıp üreten ve yenilikçiliği sahiplenilen bir marka olarak Ar-Ge, inovasyon ve dijitalleşmeyi en büyük önceliklerimiz olarak benimsiyoruz. Mobilite ve dijitalleşmenin gerekliliği olarak da dünya çapındaki kullanıcılarımızın beklenti ve taleplerine karşı bizim değişen ihtiyaçlarımızı; hem katma değerli üretimle kapasitemizi artırma hem de küresel rekabet pazarındaki yerimizi sağlamlaştırmaya motivasyonu ile belirliyoruz. Bu doğrultuda da en güncel ve en trend olanı tasarlıyor ve üretiyoruz.

2019'un hem dünyaya hem de hayatlarınıza heyecan katan, her fırsatta hayatın güzelliklerini yakaladığınız yeniliklerle ve mutlu anlarla dolu bir yıl olmasını dilerim.

Years go by, generations evolve, and tastes change. In accordance with this, we are focusing on design, revamping ourselves, modernizing with you, and improving more than ever. As a young and an innovative manufacturer, LAV keeps its dynamism high thanks to customers' enthusiasm and excitement with innovation.

We are continuing to make new investments to keep up our innovative spirit. We are happy that the brand, which has focused on glass tableware and innovation in its two facilities with a total of 300,000 m² floor space, has achieved another first by firing up the world's biggest glass furnace. The world's biggest glassware furnace has started operating, along with new production lines. With this move, which brings innovation and excitement to glass, we've widened our unique and innovative product portfolio that we export to more than 130 countries. For the glass melting furnace, we partnered with German HORN Glass Industries. HORN is one the best in the field. The world's biggest furnace will help with energy efficiency, and increase production quality and capacity. We will be able to produce 2.2 million units of glassware daily thanks to this.

We've added HOMI Fair, which is open to innovative ideas and other cultures, to our regular attendance list. We continue to expand our organization in order to have LAV achieve greater global penetration. We currently attend four different fairs in four countries: China, Germany, the USA and the newly-added fair in Italy.

We are the sixth largest glass producer in the world and, being a brand that designs and manufactures its own production machines and embraces innovation, we regard R&D, innovation and digitalization as our highest priorities. As a necessity of mobility and digitalization, we determine our needs, which change with the expectations and demands of our users worldwide, with motivation from both increasing our capacity through value-added production and strengthening our position in the competitive global market. For this purpose, we design and produce the most up-to-date products consistent with current trends.

I hope that 2019 is a year that brings excitement to the world and our lives. A year full of beautiful innovations and happy memories!

Rutinden kaçış

20. yüzyıl modernizmi "Biçim, işlevi takip eder." prensibini benimsese de, bugünün tasarım dinamikleri artık daha özgün ve sınır tanımıyor.

Escape the mundane

Though the 20th century modernism adopts the "Form follows function" principle, today's design dynamics are freer and more boundless.

TUZLU LOLİPOPLAR

Konuklarınıza atıştırmalık olarak lor peynirli lezzetler sunabilirsiniz.

Peynirden mini toplar yapın, etraflarını susam, çörekotu, yeşillik veya nar taneleriyle kaplayın.

Ortalarına da kolay alınması için çubuk kraker saplayın.

SALTY LOLLIPOPS

You can offer curd cheese snacks to your guests. Make small cheese balls, cover them in sesame seeds, black seeds, greens, or pomegranate arils.

Stick a pretzel stick in the middle for easier handling.

METALİK REAKSİYON

Galvanize metaller veya metal görünümlü objeler, ahşap ürünlerle birlikte sonbahar dekorlarında mükemmel bir uyum sunar. Mum alevinin sakinleştiren mistik etkisini ortama eklemeyi unutmayın.

METALLIC REACTION

Galvanized metals or metal-looking objects go perfectly with wood in autumn decors. Don't forget to add the mystic soothing effect of candlelight.

YALIN ELEGANS

Sadelikten yana olanlar sofralarında, beyaz ve yeşilin naif birlikteliğinden vazgeçmiyor. Yılın renklerinden adaçayı ve zeytin yeşilini sadece renk olarak değil, gerçek anlamda da sofralarına taşıyor.

PLAIN ELEGANCE

Simplicity lovers can't get enough of the naive synergy of white and green on their tables. They bring this year's colors, sage and olive green, to their tables not just as colors, but also for meals.

ORGANİK KÖŞELER

Evinizi yeni bir yıla hazırlarken doğal süsler kullanın. Narenciyeleri bütün ya da dilimleyerek kurutun; ister kapı süsü yapın ister ikram edin.

ORGANIC CORNERS

If you want to use natural new year ornaments in your home, use the refreshing color and smell of citrus fruits. Dry them as a whole or sliced; use them as door ornaments or treats.

DONDURMA MI KAHVE Mİ?

Bir veya iki ölçü espresso içine iki top vanilyalı dondurma eklerseniz kendinize bir Affogato hazırlamış olursunuz. Soğutulmuş kahve içine süt, vanilyalı dondurma ve çırpılmış krema eklerseniz de Alman usulü Eiskaffee.

ICE CREAM OR COFFEE?

If you add two scoops of vanilla ice cream into one or cups of espresso, you get an Affogato. If you add milk, vanilla ice cream, and whipped cream to cold coffee, you get Eiskaffee, or German iced coffee.

PEMBE DÜNYA

Karpuzlu milkshake yazın
içinizi ferahlatacak ve
hoş tadıyla damağınızı
şenlendirecek. Üç karpuz
dilimi, 4 top vanilyalı
dondurma bu süper
karışım için yeterli!

PINK WORLD

A watermelon milkshake
will refresh you in summer
and cheer you up with
its' pleasant taste. Three
slices of watermelon and
four scoops of vanilla ice
cream are enough for this
super beverage.

BİRAVUÇ MUTLULUK

Yer fıstığının içerdiği triptofan adlı amino asit, vücutta depresyona sebep olan serotonin eksikliğini gidererek, depresyonun etkilerini ortadan kaldırmaya yardımcı olur.

A HANDFUL OF HAPPINESS

Peanuts contain an amino acid called tryptophan.

This amino acid helps alleviate the effects of depression by eliminating serotonin deficiency, which causes depression.

ALTERNATİF MUFFİN

Hazırlayacağınız muffinlerin içindeki avokadonun doğal yağı ile yağ ihtiyacını karşılarken, bal ve pekmez şekerden rol çalacak!

ALTERNATIVE MUFFIN

While the natural oil in avocados in your muffins meet the fat requirement of the body, honey and molasses will steal sugar's role.

DENGELİ TATLAR

Çikolata ve kahvenin yoğun tadını, damağınızda nenenin ferahlığı ile hafifletebilirsiniz. Kurabiyelerinizi şeker yerine pekmez veya agave gibi doğal ürünlerle tatlandırın.

BALANCED TASTES

You can lighten the intense taste of chocolate and coffee with the freshness of mint. Instead of sugar, use natural products such as molasses or agave to sweeten your cookies.

ÇİÇEKLİ SOFRALAR

Güney Afrika'da yetişen ve ülkenin sembolü olan Protea, çiçekli bir çalı türüdür. Enginar gibi açan çiçekleri kremi beyaz, uçuk pembe ve bordo renklerde olurlar. Protea ismini, Yunan tanrısı Proteus'tan alır.

BLOSSOMING TABLE SETTINGS

Protea is a flowering shrub from South Africa. It is also the national symbol of the country. Its flowers are like those of the artichoke. They are creme white, pale pink and maroon. The name protea derives from the Greek God, Proteus.

SAĞLIK İÇİN

Kıştan yaza tüm zamanların favorisi ayran, en çok da hafif akşam yemeklerine yakışıyor. Evde kendi yaptığınız yoğurttan hazırladığınız ayran ise hem en lezzetlisi hem en sağlıklısı...

FOR HEALTH

From winter to summer, the all-time favorite "ayran" goes best with light dinners. "Ayran" made from yogurt that you ferment yourself is the most delicious and healthy.

ORMAN SEVGİSİ

Lav taşları, kırmızıya çalan rengiyle kaselere hazırlayacağınız mumluklar için iyi bir zemin olacaktır. Meşe palamutları, ardıç kozalakları ve kaya yosunları ise zengin orman dokusunu pekiştirmek için oldukça etkili.

FOREST LOVE

Lava stones, with their reddish colors, will form the foundations for lovely candlesticks in bowls. Acorns, juniper berries or rockweed are really effective in enhancing the rich forest texture.

GENÇLİK İKSİRİ

Kırmızı üzüm yemenin faydaları arasında, resveratrol olarak bilinen antioksidan ön plana çıkar. 'Gençlik molekülü' olarak bilinen bu madde erken yaşlanmayı önlemeye yardımcıdır ve hücrel hasarı yavaşlatır.

ELIXIR OF LIFE

One of the most important benefits of eating concord grapes is the antioxidant known as resveratrol. Resveratrol is often called the "Youth Molecule." It helps with preventing premature aging as it slows cell damage.

İYİ ALIŞKANLIK

İçerisinde bulunan çinko ve omega 3 yağ asitleri sayesinde, vücudun savunma mekanizmasını güçlendiren ceviz aynı zamanda doğal bir anti-inflamatuardır. Ruh halinizi iyileştirmek için tatlı yerine ceviz tercih edin.

A GOOD HABIT

Walnut strengthens body's defense mechanism with zinc and omega-3 fatty acids, and it is also a natural anti-inflammatory. Choose walnut instead of desserts to improve your mood.

KIŞ ÇORBASI

Besin değeri ve kalorisı yüksek baklagillerden olan nohut, Gaziantep yöresine özgü yuvalama çorbasının başlıca lezzetidir. Kışın bolca tüketileceğiniz nohut bitkisel protein, B vitamini, demir, kalsiyum ve fosfor gibi mineraller açısından zengindir.

WINTER SOUP

With its high nutritional and caloric values, chickpea is the main ingredient in Gaziantep's "yuvalama" soup. Chickpeas can be consumed during winter. They are rich in substances such as vegetable protein, vitamin B, iron, calcium and phosphorus.

HEM TAT HEM ŞİFA

Kış mevsiminin baş tacı meyvelerinden ayva, marmelattan zeytinyağlılara birçok yemeğe yakışıyor. C vitamini bakımından zengin olan bol lifli ayva, sadece lezzet düşkünlerinin değil, sağlık severlerin de tercihi olmalı.

TASTE AND REMEDY

Quince, one of the crown jewels of winter fruits, goes well with many dishes from marmalade to olive oil dishes. Rich in Vitamin C and fibers, quince must be consumed by health fans, as well as those who appreciate flavor.

olive

SAĞLIKLI SEÇİMLER

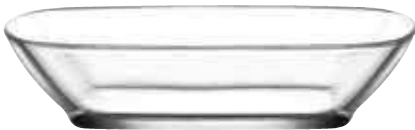

Parti ve davetlerinizdeki atıştırmalıkları sağlıklı ve besin değeri yüksek olanlardan seçin. Gereksiz tuz ve şeker alımı özellikle çocukların enerjisini artırmanın tersine hızlıca düşürür.

HEALTHY CHOICES

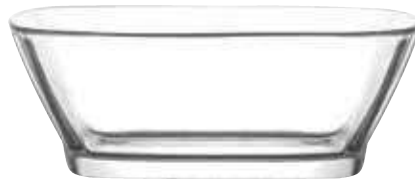

Choose healthy and nutritious olive snacks for your parties and events. Unnecessary salt and sugar intake will decrease energy, especially in children, rather than increase it.

HEM PRATİK HEM SAĞLIKLI

Kapaklı saklama kapları peynir, zeytin ve şarküteri ürünleri gibi kahvaltılık ürünlerinizin hem kurumalarını hem de erken bozulmalarını engeller. Ayrıca buzdolabınızı düzenli tutmanıza yardımcı olurlar.

PRACTICAL AND HEALTHY

Food containers will prevent breakfast items such as cheese, olives and deli products from drying out and going bad. They will also help you keep your fridge tidy.

LEZZET KAT

Karpuz, kavun, portakal ve ananas gibi meyveler, fazla su içerdikleri için smoothie'lerde daha sıvı bir kıvam ortaya çıkarır. Meyvelerin suyunu değil, kendisini kullanın.

ADD FLAVOR

Fruits like watermelon, melon, orange or pineapple will make smoothies runnier, as they contain too much water. Use the flesh of these fruits, not their juices, and don't forget that using too much just means excess sugar.

SHARE THE FUN

romantik zanaat
romantic craftwork

El emeği, göz nuru danteller ve nakışlar günümüze modernize edilerek taşıyor. Artizan ellerde yerellik yeni bir boyut kazanıyor. Bu köklere dönüş hareketinin renkleri ise toprak tonların çeşitliliğinden ilham alıyor.

Handcraft laces and embroideries are modernized and brought to today. Localness receives a new dimension in the hands of artisans. This back-to-the-roots movement gets its inspiration from the diversity of earth tones.

Bu ürün her zaman stoklarımızda bulunmaktadır. / This item is always in stock.

retro nostalgji
retro nostalgia

Geçmiş stillerin periyodik olarak dönüşümü ve geleceğe tekrarı kültürel devamlılığı sağlayan kaçınılmaz bir gereklilik. Vintage, retro ve nostalji de bu ihtiyaçlara hizmet eden kavramlar... New nostalgia ise yeni ile eskinin armonisini bizlere canlı renkler ve retro grafik öğeler eşliğinde gösteriyor.

Periodic repetition and transformation of old styles is a necessity for cultural continuity. Vintage, retro and nostalgia are all concepts that serve these needs. New nostalgia shows us the harmony of the old with bright colors and retro graphic elements.

Tazelığın ve ferahlığın mekanlardaki temsilcisi çiçekler, bu yıl da bizlerle. Rahatlatıcı pastel tonlarıyla baharın habercisi kır çiçekleri ve narin görünümleriyle bahar dalları, özellikle açık hava sofralarının vazgeçilmezi olacak.

Flowers, which represent freshness and airiness, are with us again this year. Wild flowers, signaling spring with their comforting pastel tones, and spring twigs, with their delicate looks, will become essentials, especially for outdoor tables.

doğanın seslenişi
nature calling

Doğa ile insan arasındaki ilişkinin modern yaşam alışkanlıklarına uyarlaması olan nomadik yaşam stilleri 'camping' ve 'glamping'. günümüzde eğlence ve doğayı bir arada sunuyor. Neşeli hayvan figürleri kuzey ormanlarının gizemli renkleriyle birleşiyor.

Adapted from the relationship between human and nature to modern living elements, "camping" and "glamping" offer fun coupled with nature. Cheerful animal figures meet the mysterious colors of northern forests.

BAHARI KARŞILARKEN

Pastel tonların yaratacağı romantik atmosferi sofralarınızda LAV'ın renkli ürünleri ile pekiştirin. Uçuk pembeler, toz maviler, eflatun ve su yeşili gibi yumuşak renkler baharın tatlı esintisini sofralarınıza taşıyacak.

MEETING SPRING

Enhance the romantic atmosphere, created by pastel tones, with LAV's colorful products. Soft colors such as pale pinks, powder blues, lavender, and sea green will bring the gentle breeze of spring to your tables.

İŞİLTİ VE RENK İKİLİSİ

Buzlu gümüş ve metaller yerine sıcak bakır tonları, canlı morlar ve gold ışıltılar sofralarda feminen bir nostaljiye göz kırıyor. 2019'da kutlamaların odağında bu stil ilk sırada yer alıyor.

GLITTER AND COLOR DUO

Using warm copper tones, vivid purples and gold sparkles, instead of cold silver and metals, nods to a feminine nostalgia. This style is the primary focus of celebrations in 2019.

RENK DOZUNU YÜKSELTİN

Doğallık ve renk bu yılın dekorlarında bir arada olacak. Aydınlik mekanlarda sade ve modern unsurlarla yaşam atmosferinize renk katmaktan çekinmeyin. Çiçekleri de unutmayın.

INCREASE THE COLOR DOSE

Naturalness and color will be together in this year's decorations. Feel free to lighten up the atmosphere in bright places with simple and modern elements. Don't forget the flowers.

RUSTİK DEKORLAR

Geleneksel bir piknik masasını anımsatan rustik temanın başrolde olacağı bahar sofralarını bu yıl daha sık hazırlayacaksınız. Kareli örtüler ise hangi renk armonisinde olursa olsun, elinizin altında olsun.

RUSTIC DECORS

You will prepare spring tables with a rustic theme, reminiscent of a traditional picnic table. Be sure to have plaid covers, regardless of their color harmony.

DÖNÜŞÜM BAŞLIYOR

Köklere dönüş, doğa dostu yaşamın bir getirisi de anne ve anneannelerimizin yaşam biçimlerine öykünme ve hayata geçirme hali. Siz de en azından gömlek düğmesi veya fermuar nasıl tamir edilir, pratik dikiş dikmenin yöntemleri nelerdir öğrenmeyi deneyin.

THE TRANSFORMATION BEGINS

Going back to roots is a result of an eco-friendly life and is a way to mimic and reenact your mothers' and grandmothers' lifestyle. Try to learn how to fix a shirt button, a zipper or learn practical sewing techniques.

LAV'a dair...

1994 yılında temelleri atılan LAV, Türkiye'de sofa camı üretimiyle 20 yıldır sektörde inovatif ve teknoloji odaklı bir rol üstleniyor. Üretimini Kütahya'da gerçekleştiren LAV, toplam 300 bin metrekarelik alan üzerine kurulu iki üretim tesisi ve İstanbul'da satış ve pazarlama ofisi ile birlikte 2.000 kişiye istihdam sağlıyor. Türkiye'nin her noktasına ulaşan güçlü bir satış ve dağıtım ağına sahip LAV'ın yenilikçi ve özgün cam tasarımları, dünyada başta Fransa, İspanya ve İran

olmak üzere, Brezilya'dan Çin ve Filipinler'e kadar 130 farklı ülkeye ihraç ediliyor.

LAV, cam üretimi ile ilgili araştırma ve geliştirme faaliyetlerini bünyesinde 2001 yılında kurduğu "fabrika içinde fabrika" olarak nitelendirilen Teknopark'ta gerçekleştiriyor. İnovasyon odaklı Teknopark, alanında kendi üretim teknolojisini oluşturan dünyadaki 3 firmadan biridir.

about LAV...

Since its establishment in 1994, LAV has taken a leading role in the glassware industry thanks to its focus on technology and innovation. Today, LAV employs 2,000 people, with its sales and marketing office in İstanbul and two production plants built on a 300,000 square meter area in Kütahya. LAV exports its innovative and unique glassware products to 130 countries, including France, Spain and Iran in particular, as well as Brazil, the Philippines and China. It does this

thanks to its extensive distribution and sales network, which reaches even the remotest parts of Turkey

LAV carries out its research and development activities on glassware production technologies at its Teknopark facility, which is described as a "plant within a plant." Built in 2001, the innovation-focused Teknopark has become one of the three largest R&D hubs in the world, creating and developing its own production technology expertise.
